

## **Board Policy 420: Communicable Disease Policy**

### **Personnel**

Iowa Valley Community College District recognizes its obligation and reaffirms its long-standing commitment to provide a safe and healthful environment for all employees.

The District recognizes that persons infected with life-threatening diseases should be allowed to continue employment in an unrestricted manner with approval of their personal physician. In cases where an infected employee may pose a risk of infection to others, the District may designate a physician to evaluate the employee on an ongoing basis.
